# CLS SERIES

**ColibriLED**

PREMIUM QUALITY LED MODULES

**3** WARRANTY  
YEARS

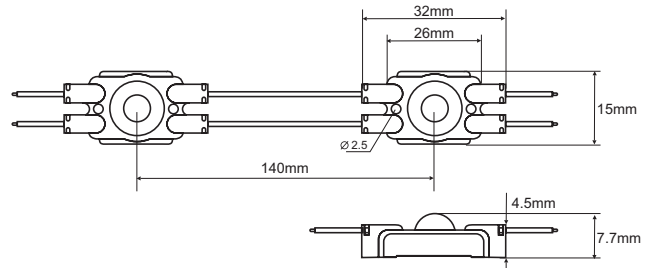

ColibriLED CLS series is developed for most cost efficient LED signage solutions. CLS series Led modules covers a full range of LED signage fixtures with mounting depth from 40mm to 200mm. CLS is based on time-tested module design updated with modern LED chip. Product provided with 3 years manufacturer warranty.

The 12VDC module is built on aluminum power circuit board, soldered wires and molded ABS housing. Colibri CLS module is equipped with 160 angle lens.

CE RoHS

- Excellent thermal conductivity
- Lifespan up to 30,000 hours
- ABS base with integral lens
- Overmolded housing
- Lens angle 160°
- Protection class IP65
- Operating temperature -25°C- +65°C
- 3M Double Sided Tape
- One bin
